Dear TA Alumni:

Tuscaloosa Academy continues to seek the best and brightest students from the Tuscaloosa area, just as it did when you were a student. We need your help, and **it won't cost you a dime**. It may even save you a bundle.

Remember the theorems you learned in Geometry? Here's a new one. Given that no one is in a better position to know well the value of a TA education than our TA alumni; given that there are no other children that TA would rather have enrolled than the children of TA alumni; therefore, TA alumni are our best recruiters of new students. It is vitally important that TA find a way to enable more TA alumni to send their children to their alma mater. Now for the complete solution.

You will find enclosed a blank check for \$1000. If your child is ready for TA, then we want you to accept this \$1000 ALUMNI SCHOLARSHIP to reduce that first year's tuition. If you have more than one child, we'll get you more checks. In addition, we would like for you to be on the lookout for students that you feel have what it takes to be a TA Knight. When you identify that deserving student, we invite you to award that student a TA ALUMNI SCHOLARSHIP of \$1000 by filling out and signing the enclosed check, and presenting it to that deserving student's parents. Should they enroll at TA, and with your recommendation we hope they certainly will, your alumni scholarship will cover a significant portion of their first year's tuition. Of course, there are no students we'd rather see you award this ALUMNI SCHOLARSHIP to than children of our own alumni.

The ALUMNI SCHOLARSHIPS are for **new students only**, but to support our alumni who already have their children at TA, we also encourage you to award an ALUMNI SCHOLARSHIP to the child of a fellow alumnus. When they enroll, we would like to "thank you" with a \$250 credit to your tuition account.

We will always need your financial support, but I cannot think of a better gift to your alma mater than to recruit one of Tuscaloosa's best and brightest for TA. It will, as you already know, also enrich that child's life forever.

Thank you so much for your help.

Great expectations!

George B. Elder, Ed.D
Headmaster

Anne Huffaker
Admissions Director

P.S. Additional ALUMNI SCHOLARSHIP checks are available from our Admissions Office at 758-4462.
