Dear TA Parents:

TA is looking for the best and brightest young people in town. As covered in our Handbook on page 24, "TA seeks to admit bright, college-bound students who possess the intellectual potential, the motivation and the parental support to succeed both in our academically challenging program and at the university level. The successful candidate will have a strong work ethic, a positive attitude, a cooperative spirit, a pleasant nature, and a genuine commitment to truth and honor. Students who meet the above criteria, including those with documented learning disabilities who possess an extra measure of determination and motivation are encouraged to apply."

We have begun a very aggressive student recruitment program, and we need your help. You will find enclosed a very special TA check for \$1000 that can be given to any family of your choosing who has a perspective student that you feel has what it takes to be a TA Knight. Should they choose to enroll at TA, and we hope they will, you have just given that child a \$1000 scholarship to the best prep school in Tuscaloosa, and you will have changed his/her life forever. Once they have begun school, we would like to honor you for your help by crediting your account with a \$250 "thank you" for your help. Additional checks may be picked up or mailed to you from our admissions office. One check per new child, please.

TA changes lives, builds dreams, and launches bright, hardworking young people of character, responsibility, discipline, and compassion toward a life of meaning. You can play an important role in helping another college-bound young person "find his way to TA!" I can't think of a better way to help our school than to assist in finding the best and brightest. The Board of Trustees has established a goal of 500 students by 2010. With your assistance, we can reach our goal and strengthen our school for years to come.

Great expectations!

P.S. We suggest that you keep this check in your pocket or purse because you never know when you may spot that deserving young person!
