

April 30, 2007

Dear Parents:

Please know how important it is to TA that you have chosen to entrust your child's education to us. Having this kind of confirmation from fellow educators and those who have devoted much of their careers to higher education is powerful indeed. Along with alumni, there are no children we would rather have than children whose parents demonstrate their value of education through their careers in higher education.

We currently have 28 children whose parent(s) are employed at the University of Alabama, Stillman College, or Shelton State Community College. We would like to have many more, and we would like to reduce the burden of tuition for those of you already at TA. We think we've found a way to do both.

You will find enclosed two blank checks for \$1000. We invite you to fill out and sign these checks and to award these HIGHER EDUCATION SCHOLARSHIPS to a colleague whose child you feel may have what it takes to be a TA KNIGHT. This scholarship will significantly reduce his/her first year tuition and help enable that family to reach for a TA education. When they enroll their child at TA, we would like to recognize you for bringing children of educators to our school with a \$250 "thank you" credit on your child's tuition. Only one scholarship per child please.

TA is a community of learners. University and college educators and their children are essential to our college preparatory mission. Thank you for understanding the value of a TA education and your help in bringing to TA your colleagues and their children.

Great expectations!

George B. Elder, Ed.D  
Headmaster

Anne Huffaker  
Admissions Director

P.S. Additional HIGHER EDUCATION SCHOLARSHIPS are available from our Admissions Office by calling 758-4462.
